Dear Jim:		
Your let	ter got to me today c	oncerning the presentation you wish
to make at th	meeting on 11	and 12 March.
long as you d	is we're concerned the lon't mention the spon equipment and technique	re is no objection to your talk so sor of the program for the develop-
long as you d ment of the e	lon't mention the spon equipment and technique	sor of the program for the develop- a. 1 be able to be present at your plant
long as you do ment of the e	lon't mention the spon equipment and technique	sor of the program for the develop- a. 1 be able to be present at your plant
I believ for the accep some more enh	ion't mention the spon equipment and technique re will stance testing of the	sor of the program for the develop- b. l be able to be present at your plant instrument. I look forward to seeing the at the meetings in St. Louis.
I believ for the accep some more enh	don't mention the spon equipment and technique re will stance testing of the tancement examples. to have someone preser who it will be as yet	sor of the program for the develop- b. l be able to be present at your plant instrument. I look forward to seeing that at the meetings in St. Louis.
I believe for the accept some more enhance we hope I don't know	don't mention the spon equipment and technique re will stance testing of the tancement examples. to have someone preser who it will be as yet	sor of the program for the develop- b. l be able to be present at your plant instrument. I look forward to seeing that at the meetings in St. Louis.
I believe for the acceptance more enhancement of the acceptance more enhancement with the contract of the cont	don't mention the spon equipment and technique re will stance testing of the tancement examples. to have someone preser who it will be as yet	sor of the program for the develop- b. l be able to be present at your plant instrument. I look forward to seeing that at the meetings in St. Louis.
